Stress This Enough Your Holiday Stress Relief Guide Is Here

Hang in there. You can do this. You're almost through the holiday madness. Here's an emergency checklist of hot-buttered-rum massages and tranquil Japanese gardens to ensure you make it. Deploy as needed.

BUTTER WATCH OUT

A Hot-Buttered-Rum Massage at Solage

You Require: Just a hot buttered rum, is all. Poured all over your body, please.

You'll Receive: A massage that uses spiced rum, cocoa butter, cinnamon and nutmeg. Technically, there's also a shea-butter body wrap involved, but that part doesn't make you smell like a seasonal cocktail.

411: \$198/80 minutes, available at [Solage Calistoga](#), 755 Silverado Trl, Calistoga, 855-942-7442
